COMMENTS OF FEDERAL RESERVE BANK
February 21, 1942

Mr. Herman Hoerlin
Binghamton, New York

Dear Sir:

Pursuant to the provisions of Executive Order No. 8389, as amended and the instructions of the Acting Secretary of the Treasury to this Bank, thereunder we have directed the blocking, as German, of all accounts, securities, safe deposit boxes, etc., in your name or in the name of your wife or in which there is reasonable cause to believe either you or your wife has a substantial interest.

In connection with the designation of you and your wife as nationals, and pursuant to the provisions of Section 130.4 of the Regulations issued under the Order, it appears that you and your wife may be obliged to file a report on Form TFR-300 with respect to your property interests. If you have not already filed such a report, you are required to submit it not later than March 11, 1942 or on or before such date, file a statement, in duplicate, of the circumstances by virtue of which you consider no report is required.

The report, if filed, must bear at the top of the first page an appropriate reference to this letter including its date.

For your information and guidance in connection with this matter, we are enclosing a copy of Public Circular No. 4, together with two sets of TFR-300, Series A.

Very truly yours,

Att. Foreign Property
Control Department
New York City

Gentlemen:

According to your letter of February 24, 1942, you have been instructed by the Acting Secretary of the Treasury to block all accounts, securities etc. in my name and in the name of my wife. I understand that my account was blocked due to the fact that I was an employee of I.G. Farbenindustrie A.G. in Germany prior to my employment with Agfa Ansco and prior to my immigration.

Mrs. Hoerlin and I with 3 children left Germany on account of political views differing strongly from those of the present German government. We are making this country our permanent home and are educating our 4 children as Americans. During the past year my political status has been investigated by agents of the U.S. Treasury Department and of the F.B.I. These reports may give the U.S. Treasury Department a fuller picture of my convictions and cause them to unblock my account, thereby excluding me from a group of persons whose loyalty to this country is doubtful and whose attitude is opposed to my own. My inclusion in the number of blocked nationals I have felt as an undeserved stigmatization.

Therefore, I would appreciate it deeply if you will reconsider your original decision and grant me the honor and privilege of an unfrozen account.

Very truly yours,

CATALOGUING ALIEN CAMERAS — Although the deadline was 11 p.m. Jan. 5, enemy aliens are still "surrendering" cameras at detective headquarters in compliance with a government regulation which also requires German, Italian and Japanese nationals to surrender firearms and remove short-wave bands from radios. About 40 cameras have been filed to date. Detective Sergt. Harold F. Fitzgerald is cataloguing the cameras which will be returned after the war.

Hon. Irving J. Higbee,
United States Attorney
Syracuse, New York

Dear Sir:

I am thanking you for your letter of September 8 informing me that according to regulations the articles in question cannot be returned in instances where there is still an alien in the family.

In my particular case the greater part of my photographic equipment is of professional nature. Before the war it has been used rather extensively at the premises of my employer, the Ansco Division of the General Aniline and Film Corporation, and I am planning to use the cameras again for similar purposes like testing of special brands of film etc., as soon as they have been returned. Thus, the greater part of the articles will be stored at the Ansco Plant for most of the time.

In order to comply with the regulations in regard to my stepdaughter Duscha Schmid I will remove all the articles to which aliens are forbidden to have access from the house at the time when my daughter comes home for her vacation.

I am hoping that these steps will be sufficient to permit the release of the equipment. I will appreciate highly your approval of my application.

Respectfully yours,

Herman Hoerlin
MR. HOERLIN:

THIS IS JUST SO MUCH FOOLISHNESS IN YOUR CASE, BUT RULES ARE RULES AND OUR BOSS IS VERY TECHNICAL, SO WILL YOU PLEASE GIVE ME SOME SORT OF A LETTER AS REQUESTED. YOU CAN STATE THAT YOU WILL LOCK THESE ARTICLES IN A CLOSET OR ELSE THAT YOU WILL REMOVE THEM FROM THE HOUSE ENTIRELY AT THE TIME DUSCHA COMES HOME. THEN OUR RECORDS WILL BE ALL CLEAR IN THE MATTER.

PLEASE SAY "HELLO" TO MRS. HOERLIN FOR ME. I WAS RECENTLY IN BINGHAMTON BUT JUST FOR ONE AFTERNOON. WAS ON VACATION UP IN THE COUNTRY BUT DIDN'T HAVE ANY CAR AND DIDN'T GET ANY PLACE THIS TIME.

D. ARMSTRONG
Mr. Herman W. Hoerlin,
35 Vermont Avenue,
Binghamton, New York.

Dear Sir:

We are in receipt of your letter of September 6th, with enclosures, relative to the return of your property.

Under the regulations we are not permitted to return property in any instance where there is still an alien in the family. You state that your stepdaughter is still an alien but that she is away at school. We assume, however, that at vacation time she will return home and at that time would have access to the articles unless some steps are taken whereby this would be avoided.

If you will provide us with a statement showing just what steps will be taken in order that your stepdaughter will not have access to your equipment at the time she is at home, we will then approve your application for the return of your articles.

Very truly yours,

   and have been in his possession since the date of purchase.

   Srl. No. 521/16. Purchased at U.S. Army

   This last named camera has been in my possession since
   date of purchase.

   The certificate of ownership is requested to avoid paying
   duty on these cameras when re-entering the United States.

   I enclose a stamped envelope addressed to Dr. Hoerlin.
   Thanking you in advance, I am,

Yours truly,
